Group Lift Ticket FAQs

How are the tickets issued?

Jackson Hole Mountain Resort utilizes hands-free, gate access systems to the lifts (sometimes called RFID). Benefits are faster, smoother access, more time on the slopes, and no more hassle with paper lift tickets. To access lifts all guests will require a J Card, a credit card sized lift ticket with smart card technology. Your lift ticket purchase will be pre-loaded on a J Card and issued to you at conference check-in. If you are arriving early to ski on Sunday, February 25th, your tickets will be delivered to your guest room at the Snake River Lodge Saturday night, or if staying off property, available for you to pick up at the Snake River Lodge front desk Saturday night or Sunday.

What about children?

There are no group discount rates for Youth ages 6-14 but youth tickets may be purchased at the ticket window. Prices are usually as follows: 1 day- \$84, 2-day - \$170, 3-day - \$243, 4-day - \$316, 5-day - \$395

Children 5 and under ski for free, but still need a lift ticket. Visit any ticket window to obtain this type of ticket.

What is the Refund Policy?

Totally unused tickets are refundable through CME Science if returned to CME Science staff by the last day of the conference. Partially used lift tickets are non-refundable.

What about Equipment Rentals?

JH Ski, located on the lobby level in the Snake River Lodge, is offering a 30% discount for our group attendees (20% discount to all hotel guests and AN ADDITIONAL 10% discount to the CME Science group).

You can book online at jhskis.com/book-now or contact JH Ski at 307-413-9300; email info@jhskis.com.

(Please note under the "group name" field that you are part of "CME" to receive the additional discount.)

I have another question, whom may I contact?

In regards to the group priced lift tickets, call CME Science at 1-650-690-2632 or email info@CMEScience.com
