Group Lift Ticket FAQs

How Does CME Science Group Pricing compare to Window Pricing on lift tickets?	# of days	CME Science Group	Ticket Window Pricing
	1	\$160	\$199
	2	\$320	\$398
	3	\$450	\$567
	4	\$550	\$736
	5	\$660	\$905

What about Children?

Children tickets are for ages 5-12. The value season group prices for children are \$110.00 per day. We issue these tickets as single days to give you the most flexibility in returns. (Completely unused tickets are refundable). Children 4 and under ski for free, but still need a lift ticket. Visit any ticket window to obtain this type of ticket.

I paid for a group lift ticket, but now I don't need it after all. Can I get a refund?

Totally unused tickets are refundable. If you let us know before we place the group order (December 20th), we'll issue you a complete refund immediately. After the order is placed you will still be able to receive a complete refund on an unused ticket **returned on site**, but the refund will be processed after the conference has ended.

What about partial refunds?

Group lift ticket partial refunds are **ONLY** available in the case of injury or illness with a **LOCALLY LICENSED** doctor's note or hospital report. If you use one or more days on your lift ticket and become injured or ill you may return the unused portion of your ticket with the doctor's note or hospital report to the conference staff and your refund will be sent to you after the conference concludes.

What about Equipment Rentals?

Specialty Sports at the Ritz-Carlton Bachelor Gulch is offering a discount on sport and performance equipment to all conference registrants and their guests. Advance reservations are recommended, and a special webpage has been set up just for our group to make online reservations: www.rentskis.com/cmescience

I have another question, whom may I contact?
